Mission statement of the music committee

At the initiative of the coordinator, the Principal and the “Parents & Friends’ Association” a new committee has been formed called ‘The Music Committee’. The Music Committee’s vocation is to organize music activities for its members. It aims to improve coordination and communication between students, parents and tutors through the practice of music. It also aims to continue the advancement of Bilingualism through music studies. Like other committees (Fêtes, Ecology, Arts), it will strive to integrate newcomers into the French and Francophile community of Sydney.

There will be a new email contact for parents/ students/ tutors/ principal and committee members to reach the coordinator. Music.committee@condorcet.com.au
